22nd March, 2024

ATTENDANCE 96.6%

Dear Parents,

It has been a very busy week - Year 1 visited Haslemere Museum on Tuesday where they learnt about animal classification. Early Years loved the visit from the Fire station and we were wowed by the Rocksteady concert today. To top the week off we also have the school disco today which the children and staff are very excited about!

We have warmly welcomed Ofsted to our wonderful school and it will be around six weeks before we can share the outcome. Thank you so much for the overwhelming positive parent feedback, which was lovely to hear.

Hope you all have a lovely weekend.

Much love the Milford Team

SAFEGUARDING TOPIC

'COUNTY LINES'

'County Lines' is a term used to describe criminal gangs based in cities using, often vulnerable, young people to transport drugs or money to towns and villages such as Milford and Godalming.

If you are worried a young person is being drawn into 'County Lines' activity come and talk to one of the safeguarding team.

A Parent's Guide to Cyberbullying

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
