

# FRIDAY UPDATE

## 15th March, 2024

### ATTENDANCE 93.4%

Dear Parents,

We have had two Easter Art Clubs run by The Friends this week which were a great success whilst also raising a lot of money for the school. A group of children went to visit Squires Garden Centre to learn how to 'grow their own chips'. The potatoes have been planted in pots and will be looked after at school. They will return at the end of June with their potatoes where the chef will turn them into chips. Year 1 are off to Haslemere Museum this Tuesday and we have our Easter disco again run by The Friends on Friday 22nd March. Hope you have a lovely weekend

Much love the Milford Team

## **SAFEGUARDING TOPIC**

### **'COUNTY LINES'**

'County Lines' is a term used to describe criminal gangs based in cities using, often vulnerable, young people to transport drugs or money to towns and villages such as Milford and Godalming.

If you are worried a young person is being drawn into 'County Lines' activity come and talk to one of the safeguarding team.

### A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

**Online safety is when young people know who they can tell if they feel upset by something that has happened online.**

**Parents** please contact your school to enquire attending their next e-safety workshop or have any concerns.
