

We are galloping away to half term and what a few weeks it has been! The children are very excited for our up and coming Harvest Performance next week, we hope you can all join us. Last Saturday many families rolled up their sleeves and helped to clear the pond area which was like a jungle, and tidied other areas around the school. We all had a great morning working together, giving our service to the school. Thank you so much to all that generously gave your time to help out and a special thanks to Stuart, Luke and Sarah for all the tip runs! It was most satisfying surveying the product of our hard labour over a hot cup of tea and a tasty doughnut!

Much love Miss Cox

A few photographs from our tidy up morning: the before, the after and the fabulous community team, thank you!
